# The Big Payback Book:

**The Big Payback** Dan Charnas, 2011-11-01 There has never been a better book about hip hop a record biz portrait that jumps off the page A V Club THE INSPIRATION FOR THE VH1 SERIES THE BREAKS The Big Payback takes readers from the first 15 made by a rapping DJ in 1970s New York to the multi million dollar sales of the Phat Farm and Roc a Wear clothing companies in 2004 and 2007 On this four decade long journey from the studios where the first rap records were made to the boardrooms where the big deals were inked The Big Payback tallies the list of who lost and who won Read the secret histories of the early long shot successes of Sugar Hill Records and Grandmaster Flash Run DMC s crossover breakthrough on MTV the marketing of gangsta rap and the rise of artist entrepreneurs like Jay Z and Sean Diddy Combs 300 industry giants like Def Jam founders Rick Rubin and Russell Simmons gave their stories to renowned hip hop journalist Dan Charnas who provides a compelling never before seen myth debunking view into the victories defeats corporate clashes and street battles along the 40 year road to hip hop s dominance INCLUDES PHOTOGRAPHS **Ego Trip's Book of Rap Lists** Sacha Jenkins, Elliott Wilson, Jeff Mao, Gabe Alvarez, Brent Rollins, 2014-03-25 Ego Trip s Book of Rap Lists is more popular than racism Hip hop is huge and it s time someone wrote it all down And got it all right With over 25 aggregate years of interviews and virtually every hip hop single remix and album ever recorded at their disposal the highly respected Ego Trip staff are the ones to do it The Book of Rap Lists runs the gamut of hip hop information This is an exhaustive indispensable and completely irreverent bible of true hip hip knowledge **Payback Time** Phil Town, 2010-03-02 Don t get mad get even Phil Town s first book the 1 New York Times bestseller Rule 1 was a guide to stock trading for people who believe they lack the knowledge to trade But because many people aren t ready to go from mutual funds directly into trading without understanding investing for the long term he created Payback Time Too often people see long term investing as mutual fund contributing otherwise known as long term hoping But the sad truth is that mutual fund investors are to a stunning degree pinning their hopes on an institution that is hopeless It turns out that only 4% of fund managers consistently beat the S P 500 index over the long term which means that 96% of fund investors see a smaller return on their nest egg than a chimpanzee who simply buys stocks in the 500 biggest companies in America and watches what happens But it s worse than that The net effect of hitching your wagon to mutual funds is that over a lifetime they ll fritter away as much 60% of your nest egg in fees Once you understand how funds engineer this you ll rush to invest on your own Payback Time s risk free approach is called stockpiling and it s how billionaires get rich in bad markets It s a set of rules for investing not trading but investing in the right businesses at the right time rules that will ensure you make the big money **Work Clean** Dan Charnas, 2016-05-03 The first organizational book inspired by the culinary world taking mise en place outside the kitchen Every day chefs across the globe churn out enormous amounts of high quality work with efficiency using a system called mise en place a French

culinary term that means putting in place and signifies an entire lifestyle of readiness and engagement In *Work Clean* Dan Charnas reveals how to apply *mise en place* outside the kitchen in any kind of work Culled from dozens of interviews with culinary professionals and executives including world renowned chefs like Thomas Keller and Alfred Portale this essential guide offers a simple system to focus your actions and accomplish your work Charnas spells out the 10 major principles of *mise en place* for chefs and non chefs alike 1 planning is prime 2 arranging spaces and perfecting movements 3 cleaning as you go 4 making first moves 5 finishing actions 6 slowing down to speed up 7 call and callback 8 open ears and eyes 9 inspect and correct 10 total utilization This journey into the world of chefs and cooks shows you how each principle works in the kitchen office home and virtually any other setting

*Rap Capital* Joe Coscarelli,2022-10-18 From mansions to trap houses office buildings to strip clubs Atlanta is defined by its rap music But this flashy and fast paced world is rarely seen below surface level as a collection not of superheroes and villains cartoons and caricatures but of flawed and inspired individuals all trying to get a piece of what everyone else seems to have In artistic commercial and human terms Atlanta rap represents the most consequential musical ecosystem of this century so far *Rap Capital* tells the dramatic stories of the people who make it tick and the city that made them that way

*Payback* Thane Rosenbaum,2013-04-10 We call it justice the assassination of Osama bin Laden the incarceration of corrupt politicians or financiers like Rod Blagojevich and Bernard Madoff and the climactic slaying of cinema screen villains by superheroes But could we not also call it revenge We are told that revenge is uncivilized and immoral an

impulse that individuals and societies should actively repress and replace with the order and codes of courtroom justice What if anything distinguishes punishment at the hands of the government from a victim's individual desire for retribution Are vengeance and justice really so very different No answers legal scholar and novelist Thane Rosenbaum in *Payback The Case for Revenge* revenge is in fact indistinguishable from justice Revenge Rosenbaum argues is not the problem It is in fact a perfectly healthy emotion Instead the problem is the inadequacy of lawful outlets through which to express it He mounts a case for legal systems to punish the guilty commensurate with their crimes as part of a societal moral duty to satisfy the needs of victims to feel avenged Indeed the legal system would better serve the public if it gave victims the sense that vengeance was being done on their behalf Drawing on a wide range of support from recent studies in behavioral psychology and neuroeconomics to stories of vengeance and justice denied to revenge practices from around the world to the way in which revenge tales have permeated popular culture including *Hamlet* *The Godfather* and *Braveheart* Rosenbaum demonstrates that vengeance needs to be more openly and honestly discussed and lawfully practiced Fiercely argued and highly engaging *Payback* is a provocative and eye opening cultural tour of revenge and its rewards from Shakespeare to *The Sopranos* It liberates revenge from its social stigma and proves that vengeance is indeed ours a perfectly human and acceptable response to moral injury Rosenbaum deftly persuades us to reconsider a misunderstood subject and along the way reinvigorates the debate on the shape of justice in the modern world
