author of the New York Times bestseller *All the Bright Places* comes a heart wrenching story about what it means to see someone and love someone for who they truly are Everyone thinks they know Libby Strout the girl once dubbed America's Fattest Teen But no one's taken the time to look past her weight to get to know who she really is Following her mom's death she's been picking up the pieces in the privacy of her home dealing with her heartbroken father and her own grief Now Libby's ready for high school for new friends for love and for EVERY POSSIBILITY LIFE HAS TO OFFER In that moment I know the part I want to play here at MVB High I want to be the girl who can do anything Everyone thinks they know Jack Masselin too

Yes he's got swagger but he's also mastered the impossible art of giving people what they want of fitting in. What no one knows is that Jack has a newly acquired secret he can't recognize faces. Even his own brothers are strangers to him. He's the guy who can re-engineer and rebuild anything in new and bad ass ways but he can't understand what's going on with the inner workings of his brain. So he tells himself to play it cool. Be charming. Be hilarious. Don't get too close to anyone. Until he meets Libby. When the two get tangled up in a cruel high school game which lands them in group counseling and community service. Libby and Jack are both pissed and then surprised. Because the more time they spend together the less alone they feel. Because sometimes when you meet someone it changes the world theirs and yours. Jennifer Niven delivers another poignant exhilarating love story about finding that person who sees you for who you are and seeing them right back. Niven is adept at creating characters. Libby's courage and body positivity make for a joyful reading experience. The New York Times Holding Up the Universe taps into the universal need to be understood. To be wanted. And that's what makes it such a remarkable read. TeenVogue.com Why New Book Holding Up the Universe Is the Next The Fault in Our Stars. Want a love story that will give you all the feels. You'll seriously melt. Seventeen Magazine **Unfolding** Jonathan Friesen, 2017-01-31. Jonah wishes he could get the girl but he's an outcast and she's the most perfect girl he knows. And their futures seemed destined to fork apart. Jonah's physical condition is debilitating and epileptic seizures fill his life with frustration. Whereas Stormi is seemingly carefree and navigates life by sensing things before they happen. And her most recent premonition is urging her to leave town. When Stormi begs Jonah for help he finds himself swept into a dark mystery his small town has been keeping for years. And the answers Stormi needs about her own past could possibly destroy everything Jonah has ever known including his growing relationship with Stormi herself. Advance praise Friesen's story unfolds with so much intrigue swells with so much heart. I had to keep reading. And the writing. Beautiful. Jay Asher author of the #1 New York Times bestselling novel Thirteen Reasons Why. As someone with Tourette Syndrome I grew up with a condition that others did not understand. It affected the way I was viewed and the way I viewed myself. I applaud Jonathan Friesen for telling a story about overcoming such a challenge in Unfolding. Hopefully this will inspire others growing up with such conditions as well as help everyone else better understand what is involved.
