Zondervan Illustrated Bible Backgrounds Commentary: Daniel John H. Walton,2009 After a brief essay that introduces each book a verse by verse commentary follows Drawing upon linguistic analysis archaeological evidence history other ancient Near Eastern literatures and the like the commentary provides the historical and cultural background against which the texts can be read and understood from publisher description *The Book of Job* John E. Hartley,1988 *The Inspiration and Authority of the Bible* Benjamin Breckinridge Warfield,Samuel G. Craig,2013-10 This is a new release of the original 1948 edition Mended Angie Smith,2012-09-01 We love to cheer for the underdog and believe to our core that every life makes a difference And we are right There is no one God can t use and no one whose brokenness is too broken for God We know this is true for our friends when we want to encourage them Yet when it comes to the places of our innermost sense of shame and regret we often wonder if it is really true that God can work all things together for good for those who

love Him Angie Smith is one who was quick to encourage a friend but struggled to believe that God could truly make something spectacular out of her broken ness and disappointments Responding to God s leading to both break and reconstruct a simple pitcher she reflected It was as though God were saying here you are Angie You are mended You are filled with my Spirit and I am asking you to pour yourself out The image of my life as a broken pitcher was beautiful to me but at the same time it was hard to look at all of the cracks I ran my fingers along them and told Him I wish it had been different How I wished I had always loved Him always obeyed Him always sought Him the way I should I was mad at the imperfections years wasted gaping holes where it should be smooth But God my ever gracious God was gentle and yet convicting as He explained My dearest Angie How do you think the world has seen me If it wasn t for the cracks I couldn t seep out the way I do I chose the pitcher I chose you just as you are Mended takes you on a journey to show how faith lived in the regular events of daily life is all that it takes to be a part of creating God s picture of redemption in your life and those around you Your life does make a difference because of how He is magnified in the cracks
