The Strange Works of Taro Yoko Nicolas Turcev,2019-05-21 Throughout his career Taro Yoko was despaired by the image of humanity returned by most big budget video games Taro Yoko s strange work reviews the entire career of this extraordinary creator his games Drakengard NieR and sheds light on the link that constitutes his work Check out this complete book on Taro Yoko which explores the contours of its games their development the complexity of their stories and their thematic depth With a preface by Taro Yoko himself EXTRACT Nowadays most of the players who have heard of Taro Yoko do not associate his name to any particular face Inconvenienced by public appearances the director systematically equipped himself with a device to cover his face during meetings with the press at least since the creation of NieR Shortly before the announcement of NieR Automata at the E3 2015 Yoko even had a mask made based on the character Emil by a plastic artist from PlatinumGames for a mere four hundred euros Since then he has worn it every time he is in the presence of photo and video cameras His persistence in hiding his face under this thick layer of plastic naturally arouses curiosity One might be led to believe that this is a communication strategy or the eccentricity of an enigmatic creator Nevertheless the visual anonymity of the director is in no way a means to nurture the mystery of his personality Far from comparing himself to the likes of Banksy a famous street artist and statement maker who prefers to remain anonymous Yoko just prefers to let his games speak for themselves In fact ask him and he will answer with no difficulty that he grew up in

creator Fumito Ueda Another World by ric Chahi and Prince of Persia by Jordan Mechner Yet when a player takes the ethereal Yorda s hand when they feel this physical contact through the vibrations in the controller something happens Something new and profound Something that can only exist through a video game A simple idea attached to the R1 button and digital interaction opens a new door Of course this insignificant seeming gesture is but a small representation of what can really happen Its strength lies elsewhere it draws from everything that makes up ICO its art direction everything in chiaroscuro its vanishing lines its simple and clear game mechanics its lack of visual interface its quest for physical realism its minimalist narration its extraordinary sensibilities It is an opening to an evocative otherworld that lets our imagination soar Contemplative slow and nearly speechless ICO offers an uncommon poetic adventure rejecting traditional video game standards while still drawing from them Many remained indifferent to it Just as many were touched as rarely before ABOUT THE AUTHOR Passionate about films and video games Damien Mecheri joined the writing team of Gameplay RPG magazine in 2004 and wrote several articles for the second special edition on the Final Fantasy saga With this same team Damien continued his work in 2006 for another publication known as Background before continuing the adventure online in 2008 with Gameweb fr Since 2011 he has written and co written numerous works for Third ditions including The Legend of Final Fantasy X Dark Souls Beyond the Grave and Welcome to Silent Hill Journey to the Center of Hell and actively participates in the Level Up and Video Game Almanac collections from the same publisher *The World of Cyberpunk 2077* Marcin Batylda,2020-08-04 An insightful captivatingly designed full color book that transports readers to the futuristic megalopolis of Night City the epicenter of the vibrant new action RPG from CD Projekt Red Step into the year 2077 a world dotted with dystopian metropolises where violence oppression and cyberware implants aren t just common they re necessary tools to get ahead Delve into incisive lore to discover how the economic decline of the United States created a crippling dependence on devious corporations and birthed the Free State of California Explore the various districts gangs and history of Night City Learn all there is to know about the technology of tomorrow and research the cybernetics weapons and vehicles of Cyberpunk 2077 Dark Horse Books and CD Projekt Red present *The World of Cyberpunk 2077* an extensive examination of the rich lore of Cyberpunk 2077 This intricately assembled tome contains everything you need to know about the history characters and world of the long awaited follow up from the creators of The Witcher video game series **Asian Illustration** ,2021-06 Asia is now the center of comic illustration This cutting edge collection showcases the work of illustrators from Asia Many new artists have been emerging recently from Asia taking their place in the international comic illustration industry through social media Although their work shows influences from Japanese anime and manga the superior drawing skills and pursuit of originality in each of these artists work results in a fresh and intense take on traditional styles This book showcases 46 illustrators focusing mainly on young up and coming artists and collects over 250 illustrations in total Each artist is introduced in 2 to 6 pages Most artists does digital drawing but there are some who does watercolor and

ink painting Immerse yourself in the work of these artists working at the forefront of the creative world of Asia The Cover illustration was done by a Singaporean artist Guweiz
